**SOS Children is the world's largest orphan charity, caring for children who have lost their parents through conflict, famine, disease, poverty or natural disaster. We care directly for over 70,000 children in 473 unique Children's Villages, in 123 countries around the world.**

More than one million children and their families also benefit from community outreach programmes which include medical centres, community support programmes and emergency relief work.

Christmas is a time for families, not least for the children in our care, and thanks to your support, we can provide these children with the love, security and happiness they deserve. For more information about our work please visit our website: [www.soschildren.org](http://www.soschildren.org)

Cards 1 and 2 were created by children from SOS Children's Villages in Estonia and Bolivia. Card 3 is a child from the SOS Nursery School in Nairobi, Kenya.
